EMERGENCY IRRIGATION RESTRICTIONS

The Gardnerville Water Company has recently experienced outage problems at 3 of our 7 supply wells. The temporary outage of these three wells has put a strain on the overall GWC distribution system and water storage.

As a result of the well outages, GWC is initiating the following irrigation restrictions until further notice:

A) IRRIGATION SCHEDULING

1. Houses or businesses whose street address ends with an even number irrigate on even numbered days of the week.
2. Houses or businesses whose street address ends with an odd number irrigate on odd numbered days of the week.

B) Outside irrigation when permitted, is **PROHIBITED** between the hours of 11am - 6pm.

C) PENALTIES

1. A user found in violation of these restrictions shall be warned by a GWC operations staff member. The warning shall be issued orally and in writing.
2. A user found in violation of these restrictions a second time shall be assessed a penalty in the amount of \$25.00.
3. A user found in violation of these restrictions a third time shall be assessed a penalty of \$50.00.

The Gardnerville Water Company is asking each customer for their cooperation through this challenge and will keep our customers informed of any changes in the situation and restrictions.

Thank you for your cooperation.

Sincerely,

Jason Spotts
Board Chairmen
