GWC Names New Management

Meet our new General Manager: David Bruketta

Gardnerville Water Company is proud to welcome David Bruketta, who started in June. David brings nearly 30 years of experience in the utilities sector, with a strong track record of leading initiatives to modernize infrastructure, improving operational efficiency, and advancing innovative water management strategies.

In his role, David is responsible for implementing the policies and decisions of the Board of Directors and ensuring operations align with the Company's mission to provide water in a courteous and accountable manner, for the long-term benefit of our customers and to exceed the standards set for public health, safety and the environment.

His leadership will be instrumental in navigating regulatory challenges, enhancing customer service, and reinforcing our commitment to environmental stewardship.

David is passionate about building resilient and affordable systems that serve the long-term needs of the community.

He is committed to fostering a culture of innovation, transparency, and customer service excellence. Please join us in welcoming David to the team!

Christmas Kickoff

Thursday, December 4th @ 5:00 pm

Join us on December 4, 2025 for the 20th Annual Gardnerville Christmas Kickoff.

There are electric carriage rides around the park, Santa will be there, live entertainment, dancing Christmas Lights and fireworks (weather permitting).

Preparing for Winter

Autumn is a beautiful time of year, and a good time to start thinking about winterizing your home. Below are some tips on how you can prevent headaches and extra expenses that might occur when Old Man Winter comes to visit...

- Insulate water pipes
- Locate your home shut-off valve
- Check for leaks in pipes, hoses, hose connections, and faucets
- Remove all hoses from hose connections
- Close foundation vents
- Keep garage door closed
- When you're away, keep your thermostat at 55 degrees or higher

New Certification

Please join us in congratulating operator Eamon Webb on passing his most recent water distribution state exam! He is now an Operator III. In July 2025 Eamon also celebrated his 5 year anniversary. Within the last 5 years, this dedicated employee has been devoted to his learning. With a true passion for the job, he is determined to serve the community to the fullest.

Congratulations

Eamon Webb, Operator III
